

## Hampshire County Cross Country Championships 2013

Partnered by Saucony

Hampshire enjoyed another successful Championships in January. The weather was kind to us, and the course had dried out a lot from when I saw it the week beforehand. Many thanks must go to Jon Osman, Malcolm Price and members of Eastleigh Running Club for their hard work in staging the Championships. Our partners, Saucony, must also be thanked for their presence on the day, I think all enjoyed the experience. Once again, Richard Dean, along with Dave Yetton, produced results almost as soon as the runners had finished, and our presentation team and announcers kept everything moving along to time.

The finances look healthy, and I do not suggest that we increase the entry fee. I have been advised that the date for County Championships in 2014 is to be Saturday 4<sup>th</sup> January. I have some points that need to be considered before next year's Championships, but I'm certain they can be dealt with at a later Executive Meeting.
